

HEDEFLERIMIZ

TROX GmbH is consistently pursuing the objectives of:

- Worldwide expansion.
TROX will continue to grow, primarily through organic growth, but also through the acquisition of other companies. The company's goal is to expand its international market position in a sustainable manner.
- A solid financial structure.
With an above-average equity resources, TROX is able to maintain a solid financial structure.
- A 'one-stop shop' strategy.
TROX offers all types of ventilation and air-conditioning technology from a single source: components, devices and system technology, which are perfectly matched.
